

1475K SERIES

The Storage Master

»» STRONG, RELIABLE AND METICULOUSLY DESIGNED

Bahco's broad and now improved range of HEAVY-DUTY trolleys have been designed to meet a wide variety of user needs. They are available in DIFFERENT SIZES, with DIFFERENT numbers of DRAWERS, TOP QUALITY materials and COLOURS.

DRAWERS

Ball bearing slides.
Full opening drawers.

A load capacity of 45 kg per drawer.

FOAM INLAY SYSTEM

Allows users to create the trolley that suits their precise preferences by choosing tool compositions adapted to their specific, individual needs.

LOCK & GO!

The Lock & Go system secures the drawers automatically when closed.

DOUBLE WALL FRAME

Drawers and slides function as normal even if the frame gets damaged.
